

# DIY Fall Wreaths

## Supplies:

- Colorful 8 ½" x 11" paper for printing leaf templates
- Large paper plates
- Glue or staplers
- Scissors
- Single hole punch
- String or ribbon

## Directions:

- Print leaf templates on 8 ½" x 11" paper in various fall colors
- Pre-cut, or have residents cut out individual leaves
- Cut the center out of a paper plate, creating a hollow circle for the wreath frame
- Punch a hole in the paper plate frame
- Attach ribbon or string (for hanging)
- Attach approximately 15-20 leaves to each frame in various colors with glue or a stapler. Overlap the leaves to cover the frame.
