

FLEX YOUR SODIUM SPECS

with Pillsbury™ Biscuits

Tasty and versatile sodium solutions

- Add **more** ingredients and flavors per meal, and still stay within **weekly sodium guidelines**
- Enjoy the same golden appearance and texture as before
- Choose from **six kid-pleasing biscuit options** in popular formats and sizes

K-12 sodium solutions for mouth-watering meals

Introducing a **newly reformulated biscuit lineup** that empowers your team to **add more ingredients and components** per meal—and **still meet weekly sodium targets**.

Format, size and grain options just right for your kitchen

- **Freezer-to-oven biscuit doughs**—just place, bake and serve in minutes
- **Frozen baked biscuits**—offering thaw-heat-serve convenience
- Delicious **whole grain** and **non-whole grain** selections
- **Regular** and **mini sizes** for even more **menuing flexibility**

Our mission is to ensure every child is **well fed** and **ready to learn**. We are committed to continuing to be an **industry leader** by offering **tasty, nutritious meal solutions** that give **operators ease** and **flexibility** on menus!
